CONSENT FORM

We require your consent to collect personal information about you. Please read this information carefully and sign where indicated below.

The medical practice collects information from you for the primary purpose of providing quality health care. This means we will use the information you provide in the following ways:

- To properly assess, diagnose, treat and be proactive in your current and subsequent health needs,
- Administrative purposes in running our medical practice
- Billing purposes, including compliance with Medicare and Health Insurance Commission requirements. It may also be necessary to disclose this information to fulfil a medical indemnity insurance obligation.
- Disclosure to others involved in your health care. This may occur through referral to other health professionals or for medical testing or investigations.
- Disclosure to other doctors in the practice or Registrars attached to the practice for the purpose of your care and also for teaching purposes.
- Disclosure for research and quality assurance activities to improve individual and community health care and practice management.

I have read the information and understand the reasons why my information must be collected. I am also aware that this practice has a privacy policy on handling patient information.

I understand that I am not obliged to provide any information requested of me but that my failure to do so might compromise the quality of the health care and treatment given to me.

I am aware of my right to access the information collected about me, except in some circumstances where access might be legitimately withheld. I understand I will be given an explanation in these circumstances.

I consent to the handling of my information by this practice for the purposes set out above, subject to any limitations on access or disclosure that I notify this practice of.
